**EVERYTHING VOLUNTARY: FROM POLITICS TO PARENTING (PAPERBACK)****DOWNLOAD**

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Introduction: The mainstream political, education, and parenting philosophies all have one thing in common: promoting the domination of one group of people over another. In politics, this is the ruling class, i.e., politicians and bureaucrats, over the ruled. In education and parenting, this is teachers or parents over their children. Someone's interest prevails over someone else's, and in these arenas, violent solutions prevail over peaceful ones. The purpose of this book is to question the virtues of human relations based on violent coercion, and to promote instead human relations based on mutual consent. For it is under one type or the other that human interaction in all arenas of life necessarily fall. From large-scale social organization and maintenance to the small-scale family unit, it is the position of this editor that peace and prosperity are most likely achieved through relations based on mutual consent. This book should prime the reader to develop an understanding and commitment to the political, social, and life philosophy called voluntarism. Back Cover Endorsements: A wonderful selection of first-rate essays on one of the most important principles of civilized life-cooperating with people instead of controlling, taxing, dragooning, bullying or bombing them. Bravo, Skyler Collins! - Lawrence W. Reed, author of *Striking The Root*, and president of the Foundation for Economic Education. This collection is especially valuable because it comes from the mind of someone who became convinced of the case for liberty -- and so we have here some of the most intellectually compelling literature of the modern libertarian world. The application to family life presents a serious challenge even to those who embrace political and economic liberty, but puzzle about how to apply these...
