Grand Central Publishing. Paperback. Book Condition: New. Paperback. 392 pages. Dimensions: 7.8in. x 5.1in. x 1.2in. Jessica Luna is your typical 26 year old: she has man trouble, mom trouble, and not a clue what to do with her life (though everyone else in her family seems to have plenty of suggestions!) After a lifetime of being babied by her family, Jess is incapable of trusting herself to make the right choices. So instead, she bases all of her life decisions on signs. She looks to everything for guidance, from the direction her rearview-mirror-Virgin-de-Guadalupe sways to whatever Madame Hortensia, her psychic, sees in the cards. When her sort-of boyfriend Guillermo, a gifted unmotivated artist, disappoints her again, Jessica thinks its time to call it quits. Just to be sure, she checks in with Madame Hortensia who confirms that yes, it is time for a change. (Who knew 20 could buy so much security!) Right on cue, Jess meets Jonathan; hes the complete opposite of Guillermo--of all Jesss boyfriends, in fact. Hes successful, has a stable job. . . . and is white. Jess isnt sure if Jonathan is really the change Madame Hortensia saw. Sure he gives great career advice, but is he advising her on a career she actually wants And yes hes all about commitment, but is it Jess or her mother who really wants marriage Jess runs back to Madame Hortensia for advice, but even she is out of answers. Now theres only one thing thats certain: no one--not her mother, her sister, her boyfriend or her psychic--can tell her what to do. For better or for worse, Jess will have to take the plunge and make her own decisions if she wants to have any future at all. This item ships from multiple locations. Your book may...
