

Interconnections: Gender and Race in American History (Paperback)

Filesize: 1.27 MB

Reviews

The book is straightforward in go through easier to recognize. it was actually writtern extremely perfectly and useful. I am very happy to explain how this is actually the greatest publication i have read through within my individual life and might be he finest ebook for actually.

(Gladys Conroy)

INTERCONNECTIONS: GENDER AND RACE IN AMERICAN HISTORY (PAPERBACK)**DOWNLOAD PDF**

Boydell Brewer Ltd, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This collection builds on decades of interdisciplinary work by historians of African American women as well as scholars of feminist and critical race theory, bridging the gap between well-developed theories of race, gender, and power and the practice of historical research. It examines how racial and gender identity is constructed from individuals lived experiences in specific historical contexts, such as westward expansion, civil rights movements, or economic depression as well as by national and transnational debates over marriage, citizenship and sexual mores. All of these essays consider multiple aspects of identity, including sexuality, class, religion, and nationality, among others, but the volume emphasizes gender and race as principal bases of identity and locations of power and oppression in American history. Contributors: Deborah Gray White, Michele Mitchell, Vivian May, Carol Moseley Braun, Rashauna Johnson, Helene Quanquin, Kendra Taira Field, Michelle Kuhl, Meredith Clark-Wiltz. Carol Faulkner is Associate Professor and Chair of History at Syracuse University. Alison M. Parker is Professor and Chair of the History Department at SUNY College at Brockport.
