DIVISION OF GEOLOGY AND GEOGRAPHY. 49 well as in Europe. This distribution was initiated by the Geology Committee and made, possible by the generosity of one of its members. The American Library Association ordered several hundred copies of this separate for use in libraries at camps. Several thousand copies of the Handbook of Northern France, by Prof. William M. Davis, chairman of the Geography Committee, have been gratuitously distributed among officers of the Army. This was possible through generous contributions secured by the author. The publication was issued at cost by the Harvard University Press and distributed without profit to the author. 4. The utilisation of geologists as experts in the American Army. A memorandum on the usefulness of geological advice in the operations of an army was presented to the Secretary of War by the Geology Committee in 1917. During the past year the...

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
