

I Herring Gull: Despised, Hated, Abused, Starving and Culled by Humans (Paperback)

By Dr Mike Pearce

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book. Seaside wouldn't be seaside without herring gulls. It would be a desolate place probably only with the noise from a few crows pecking around on the beach. Humans, just as they associate ice-cream, amusement arcades, buckets and spades and lilos etc. with the vista, regard seagulls as a trigger of past memories. As a seagull, you can live for over forty years old but probably less in an urban environment. This book links you with the life of a herring gull looking at how you behave and the challenges that you must face in your daily life. Hopefully it will help change your view that we are not just pesky birds all out to cause damage and havoc amongst tourists.
