Argies Publishing LLC, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Let your strengths identify who you are and who you will become. Shakespearean quote: What-E er Thou Art, Act Well Thy Part. I asked, How can I act my part? I don t know how! I have thought, Why is there something wrong with the way my head thinks? Mother and I knew that we were not dummies, but something was wrong the way we communicated. Emotional problems resulted. Why? I asked Mother how had school been for her. Her tears said it all. I liked art, dancing, P.E., geography, and maps. I couldn t read well. Teachers knew it was not an acuity (being able to see or a need for glasses) problem. Why? This book will help uncover some of the mysteries of why and bring hope to the discouraged who do not know what is not wrong with their heads. The strengths! Mother and my tears were because we didn t understand cognitive processing. The brain! The link between high school dropouts and criminal behavior is grim and staggering because weaknesses have identified the individual. Why? I believe it is because we have not understood our strengths. Why? The brain processes information as a tool for change. How? Let us have a conversation! The Year Was 1941 After school I pulled myself up and down the hills from kindergarten to our company-owned home, I could hardly wait to get home. Tears held back, flooded my heart. The open pit copper mine, massive as it was, couldn t contain the feelings of confusion and disappointment that filled my soul as I told myself, I never want to return to that place where monsters live. The place where I was going...
