Beacon Press, United States, 2007. Paperback. Book Condition: New. 203 x 136 mm. Language: English . Brand New Book ***** Print on Demand *****.When the Drama Club Is Not Enough presents the work of two young activists who have been at the forefront of the successful Safe Schools Program for Gay and Lesbian Students in Massachusetts, a model for states and school districts nationwide. They give concrete, hard-won, and often inspiring lessons on integrating gay and lesbian issues to create powerful change for school communities. The book discusses the previously undiscussable--gay and lesbian identity and self-esteem at the middle and elementary school level, and gay and lesbian issues in school sports. It tells the story of a high school junior who, at the end of one of Jeff Perrotti's workshops on school sports, raised his hand and said he was a football captain and wanted to come out and needed help, and uses this dramatic narrative of personal courage to show step-by-step how gay and lesbian issues can be a catalyst for transformation of schools. The authors speak directly to those who want to change school climate--parents, teachers, administrators, and students concerned about harassment and safety. They offer seasoned and often humorous advice on dealing with controversy--even if it occurs in the context of a school presentation on sexual orientation attended by angry and disruptive parents. When the Drama Club Is Not Enough includes chapters on Getting Started and Race and Gender and sections on school policies and students legal rights in order to ensure safe schools.
