Regional safety and security officers at headquarters and the agency's compliance officer monitor the quality of post practices. All posts were required to certify that they were in compliance with agency expectations by the end of June 2003. Since that time, a quarterly reporting system has gone into effect wherein posts communicate with regional headquarters regarding the status of their safety and security systems and practices. The country desks and the regional safety and security officers, along with the compliance officer, have been reviewing the emergency action plans of the posts and providing them with feedback and suggestions for improvement. The compliance officer has created and is applying a matrix to track post performance in addressing issues deriving from a variety of sources, including application of the agency's safety and security compliance tool and Inspector General reports. The compliance officer and staff from one regional office described their efforts, along with...
