AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Chimera are a race so old, the humans relegated them as a myth. The Gods feared the Chimeras powers, believing they were a deadly race with physical abilities beyond belief. So they split their race in half, condemning them to wander the earth searching for their other half to be complete. Without their sodalis, each is destined to live life without dreams, without love, without hope. The future rests on finding their one true mate for life. SHELBY O NEIL has led a solitary life with her parents. So when she goes to college, she believes her life has just begun. Now in her second year, the dreams begin. She dreams with the same man, night after night for months. When her dream world becomes her reality, and her life becomes a danger zone, she quickly learns to trust the one man who has thrown her into this new and dangerous world. DEVELON COLE is Chimera and his race has been on earth as long as humans. His people are desperate to find their one true mate for life, and...

Reviews

Most of these ebook is the ideal pdf readily available. it was actually writtern quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
