Good Bible studies that engage their kids. The purpose of this book in the Studies on the Go series is to provide small group leaders with creative and engaging Bible study questions they won't have to rewrite. Students will be pushed, encouraged, and challenged, but the real goal is that they would be changed. Laurie Polich-Short has designed Matthew for the busy youth worker who either lacks the time or the information to lead a quality Bible study. Without skimping on depth and substance, Laurie has constructed down to earth questions that get kids into the text and so they can hear God's Word on a practical level. Each consecutive passage of Scripture sets a topic to help students think deeply, talk openly, and apply what they are learning to their lives.
