

## Rebound Roommate

By Jules Barnard

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. She was the girl I once tutored. The girl I watched from afar, and then one night she did the unimaginable and offered herself to me when I hadn't thought she noticed me that way. I felt like the luckiest bastard in the world. Until Mira Frasier betrayed me. I left for college in a rage that colored every relationship afterward. Now I'm back in Lake Tahoe, and Mira is still the most beautiful girl I've ever seen. Except I know better. She's cold. A heartbreaker. And somehow I've gotten wrangled into living with her - the one person I never wanted to see again. Forced proximity has a way of breaking down barriers and revealing secrets. While the two of us are under the same damn roof, no place to hide, Mira's beautiful body and smart mouth taunt me on a daily basis. The only thing left to do is get her out of the house or give in to the fire still burning between us and hope that this time I can walk away and forget her.

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
