It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, The Art of Being, Erich Fromm, How can we realize and actualize love, reason, and meaningful, productive work? Fromm here offers an Art of Well-Being, a way of living based on authentic self-awareness that comes only through honest self-analysis. He warns of the pitfalls of our attaining enlightenment without effort, or believing that life can be lived without pain. The tantalizing 'spiritual smorgasbord' offered by our consumer-oriented world, Fromm maintains, only feeds our illusions of 'easy awareness'. Confronting the psycho-gurus who preach these shortcuts to enlightenment, Fromm offers another way to self-awareness through meditation. If the Art of Being - the art of functioning as a whole person - can be considered the supreme goal of life, a breakthrough occurs when we move from narcissistic selfishness and egotism - from having - to psychological and spiritual happiness - being. The Art of Being is certain to be one of the most important and sought-after works in the Fromm canon for years to come. This volume is a sequel to one of Erich Fromm's most popular works, To Have or to Be. In this new book, Fromm examines the true paths - as opposed to false directions - that will lead us to self-knowledge and enlightenment.
