CAPITAL MARKETS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With the globalization process, which resulted in an intense exchange between the countries, the stock market is becoming increasingly important in the international financial scene. Following this trend, developing countries seek to open their economies to receive foreign investments. Thus, the more developed an economy, more active is its capital market. Being a key channel in fundraising that allows the development of..
