Taschen. Hardcover. Condition: New. 280 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. The glamour goes on: With an emphasis on the delightfully curvy female foot Our first Ed Fox title, *Glamour From the Ground Up*, introduced the heir to the peculiar photographic niche long ruled by the great Elmer Batters. California native Fox had not even heard of Batters when he first started photographing women with an emphasis on their feet. In fact, he thought he was the only young man who checked out a woman's feet before her face, and most of the time couldn't meet his model's eyes for fear they'd discern his secret. Then he became the official foot photographer for *Leg Show* magazine, just months before Batters' death, and learned of the big shoes he had to fill at the same time he realized there were thousands of men just like himself except without the talent to capture their passion on film, or as today, in pixels. Since then, Ed Fox has become internationally known for a sensual photographic style that captures every curve of a woman's body, right down to the tips of her toes. In *Ed Fox II* he brings us voluptuous new models, arresting locations many blending the desert landscapes...
