

India: An Introduction

Filesize: 7.71 MB

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Valentin Hane MD)

INDIA: AN INTRODUCTION

[DOWNLOAD](#)

Vision Books/Orient Paperbacks, New Delhi, India. Softcover. Book Condition: New. India: An Introduction is a highly readable and rewarding initiation into a complex, ancient civilization, by one of India's most widely-read writers and journalists. Khushwant Singh tells the story of the land and its people from the earliest time to the present day. In broad, vivid sweeps he encapsulates the saga of the upheavals of a sub-continent over five millennia, and how their interplay over the centuries has moulded the India of today. More, Khushwant Singh offers perceptive insights into everything Indian that may catch one's eye or arouse curiosity: its ethnic diversity, religions, customs, philosophy, art and culture, political currents, and the galaxy of men and women who have helped shape its intricately inlaid mosaic. He is also an enlightening guide to much else: India's extensive and varied architectural splendours, its art and classical literature. Khushwant Singh's own fascination with the subject is contagious, showing through on every page, and in every sidelight that he recounts. India: An Introduction holds strong appeal for just about anyone, who has more than a passing interest in the country, Indians as well as those who are drawn to it from farther afield. And for a traveller, it is that rare companion: erudite, intelligent, lively. Printed Pages: 216.
