Little, Brown Book Group, United Kingdom, 2002. Paperback. Book Condition: New. 194 x 132 mm. Language: English . Brand New Book. With a career spanning three decades and album sales topping 150 million worldwide, they continue to fascinate fans and music lovers with their stories of legendary parties, outrageous lifestyles, turbulent affairs and outstanding musical achievements. Queen: The definitive biography is a comprehensive history of this important band. Laura Jackson has carried out exclusive interviews with members of Queen, many of their close friends, and several of the world's leading rock musicians including Sir Cliff Richard, Richie Sambora, Gary Glitter, John Peel, Malcolm McLaren, Bruce Dickenson, Peter Stringfellow, Richard Branson, Trevor Francis and Nigel Planer. She turns the spotlight onto the private lives, professional struggles and personal triumphs of all four band members, from Freddie Mercury's reckless affairs and flamboyantly gay lifestyle to the intensely private bass player John Deacon, and from Brian May's emotional excesses to Roger Taylor's sexual scandals. Laura Jackson includes a frank and compelling account of Mercury's illness and eventual death from AIDS and examines the impact this had on his friends and family and what it meant for the band.
