paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Publisher: Yanbian University of Pub. Date :2011-6-1. Calculus is an important foundation administered by the specialty courses. graduate entrance exam is the key subjects. Zhao salamander editor of the Calculus (third edition) is a set of popular and award-winning readers outstanding works. However. in order to learn calculus courses. teaching materials alone is not enough. After a detailed study needs to be done a certain amount of teaching the subject in order to achieve better results. And the market is a comprehensive class of questions or topics. not specific. either synchronous counseling books example. although a certain degree of relevance. but the subject too. and mostly as examples. the same types of topics are arranged contiguously. not test their learning. To this end. we write the editor of this salamander with Zhao's Calculus (third edition NPC) supporting synchronous calculus test volume to help deepen understanding of basic concepts. to strengthen the basic problem-solving methods and techniques control. and ultimately improve the level of mathematical ability and mathematical thinking. This book is divided into nine chapters. according to the authors...
