

Systematic Botany, Second Edition

By Bharati Bhattacharyya

Narosa Publishing House, 2009. Softcover. Book Condition: New. Systematic Botany discusses classical and fundamental aspects of systematics as well as its recent developments. Special attention has been paid to the chapters on Origin of Angiosperms, Theory of Evolution, Variation and Speciation and Evolutionary Trends in Angiosperm Flowers, The International Code of Botanical Nomenclature, important herbaria, techniques for the preparation, storage and study of herbarium specimens, botanical gardens, and taxonomic literature which are discussed in detail and includes the study of some selected families belonging to 21 orders. For each family, general features and evidence from anatomical, embryological, chromosome numbers and phytochemical data have been added and evolutionary trends discussed. Attention has also been drawn to economic importance, geographical distribution of these families and endangered plants wherever possible. Key Features ? Hierarchy in plant groups and the concepts of species, genus and family ? Intricate rules of plant nomenclature, biocode and phylocode ? All major systems of classification ? Taxonomic literature, important herbaria and botanical gardens of the world ? Sources of taxonomic evidence, serotaxonomy, molecular systematics and numerical taxonomy ? Origin of angiosperms, theory of evolution, cladistics and evolutionary trends in angiosperm flowers ? Detailed study of some selected families...

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

-- **Juston Mraz**

It becomes an amazing book which i actually have at any time study. It is actually loaded with wisdom and knowledge You wont sense monotony at at any time of your respective time (that's what catalogues are for regarding should you request me).
