Reviews

If you need to adding benefit, a must buy book. it absolutely was writtem extremely perfectly and benefical. You are going to like the way the blogger compose this publication.

(Orlando Abernathy)

URBAN WILDERNESS: EXPLORING A METROPOLITAN WATERSHED

Center for American Places, US, United States, 2008. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book. A river can be the lifeblood of a city, standing as a symbol of economic prosperity, harmony with nature, and communal life. The Menomonee River is such an anchor for the Milwaukee area, and in *Urban Wilderness*, Eddee Daniel guides us down its course to reveal how preserving urban rivers is key to modern-day city life. In rich color photographs and engaging text, Daniel explores the natural and cultural history of the Menomonee River. The development and rapid growth of Milwaukee as one of the leading cities in the Midwest is deeply intertwined with the river, and Daniel reveals the river's moods and ecological conditions as well as its ills and strengths. The book charts the exemplary preservation efforts to rescue the river from pollution and neglect, ultimately showing how parks and nature preserves are crucial to the quality of life and economic success of a thriving city such as Milwaukee. A compelling in-depth chronicle, *Urban Wilderness* is an invaluable read for environmental scholars, urbanists, and everyday citizens who are concerned about the environment.
