AHAM BRAHMASMI WHEN NODE BECOMES THE SERVER: ISPIRITUALITY FROM SILICON VALLEY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Aham Brahmasmi When Node Becomes the Server, intends to provide its readers a reason to believe in spirituality and start embedding it in their day-to-day life. The whole idea is to have the reader observe, think and finally realize that spirituality is as close to basic sciences and technology as one can perceive. Technical analogies in the form of Internet, smartphones and electric cars used in the book to convey the winning principles of spirituality, serves the dual purpose of making it both interesting and practical. Anybody looking to improve their life and enjoy it to the fullest would find a great companion in this book. It will lead them to explore and understand the deeper aspects of spirituality and consciousness through introspection and practical application.
