Fireside Books. Paperback. Book Condition: New. Paperback. 320 pages. Beloved friend, When this little book was first published many years ago, it became a beacon of light for many people who found themselves time and time again in one valley or another. Valleys are nothing new for any of us. Some of you may be in a valley right now, or, since you never know what's around the corner, you may be on the brink of tottering into yet another valley. Or maybe you've just survived a valley that you swear you'll never revisit -- but guess what? That's precisely the valley you'll probably see again. And again. Being in a valley can be a lonely and bewildering experience. This book was written to help you feel less lonely by reminding you that you really aren't ever alone since God is always by your side, but more important, you are always by your own side. Even though you may not know how you got into the valley in the first place, you do know, deep inside yourself, how to get through and out and free. You just need a little faith in yourself and a little guidance to find that faith within yourself. When you are at your wits' end, take this little book and let it guide you toward the ever-present but often elusive light at the end of the tunnel. Faith in the Valley is designed to help you find the light when you need it most -- when you're in that damn tunnel. When you're most confused and in the dark and clueless as to...
