*It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).*

## THE GOOD NEWS CLUB: THE RELIGIOUS RIGHT S STEALTH ASSAULT ON AMERICA S CHILDREN (PAPERBACK)

INGRAM PUBLISHER SERVICES US, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In 2009, the Good News Club came to the public elementary school where journalist Katherine Stewart sent her children. The Club, which is sponsored by the Child Evangelism Fellowship, bills itself as an after-school program of Bible study. But Stewart soon discovered that the Club s real mission is to convert children to fundamentalist Christianity and encourage them to proselytize to their unchurched peers, all the while promoting the natural but false impression among the children that its activities are endorsed by the school. Astonished to discover that the U.S. Supreme Court has deemed this, and other forms of religious activity in public schools, legal, Stewart set off on an investigative journey to dozens of cities and towns across the nation to document the impact. In this book she demonstrates that there is more religion in America s public schools today than there has been for the past 100 years. The movement driving this agenda is stealthy. It is aggressive. It has our children in its sights. And its ultimate aim is to destroy the system of public education as we know it.
