Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Dewi Lewis Publishing, United Kingdom, 2005. Paperback. Book Condition: New. 212 x 152 mm. Language: English . Brand New Book. A remarkable debut novel . . . detailed insights and dead-on characterizations . . . a strong gay sensibility in the book, including the often hilarious and biting dialogue among the older characters. Enjoy the insightful story for its vivid characters, unfolding love story and powerful descriptions of a time gone by. -- Washington Blade I m much impressed. The insight into older people, especially women, is precious and rare. I m astonished at the understanding. Every syllable is believable. It says it all . . . --Bernice Rubens.
