

## Classic Film Series: Madonna in Body of Evidence and Dangerous Game (Paperback)

By Chris Wade

Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Chris Wade looks at two films which have been sadly sidelined over the past two decades. Both films were released in the same year, and both starred Madonna in completely opposing scenarios and roles. Body Of Evidence was seen as a Basic Instinct erotic thriller rip off, but many missed the irony and black humour of the whole piece. Dangerous Game was a rough and raw exercise in the film with a film format, directed by the brilliant Abel Ferrara. In the former, Madonna put her all into the role of a femme fatale being trialled for murder. In the latter, Madonna played an actress gaining credibility by appearing in a movie for acclaimed cult director Eddie Israel, played by Harvey Keitel. She gave what is arguably her finest performance to date. This book is an appreciation of these two films, which are explored in depth throughout. The links, similarities and contrasts between them are also highlighted, and there is an insightful interview with Ken Kelsch, the cinematographer of Dangerous Game.

### Reviews

*A whole new e book with a new perspective. I could comprehend almost everything using this written e book. I am very happy to inform you that here is the greatest ebook i have read in my very own life and may be he best publication for ever.*

*-- Dee Halvorson*

*The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).*

*-- Mr. Rafael Hoeger*
