Brand New Book ***** Print on Demand *****.The Department has shown Governmentwide leadership in its commitment to effective GPRA implementation. DOT s first Strategic Plan and Performance Plan were rated the best in the Federal Government. DOT was the only agency to prepare a dry-run performance report one year before the first statutory due date. In addition, a recent study by the Mercatus Center of George Mason University ranked the Department s new Performance Report/Performance Plan as the second best in the Government, giving the Department a score of 51 out of a possible 60 points. The Department has also made special efforts to address the top management challenges in the Strategic Plan currently under development. We think these efforts will strengthen both the Department s Strategic Plan and future performance plans and help the Department achieve its strategic goals.

Reviews

It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Basically no phrases to clarify. It really is writter in straightforward phrases rather than hard to understand. You will not sense monotony at at any moment of your own time (that's what catalogues are for concerning if you ask me).
