DARK FLAME (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you love alpha warriors haunted by dark pasts? Do vampires, shifters and fae make your night? Meet vampire Border Patrol Officer Robert Brannick. Committed to the rule of law, Brannick falls hard for a beautiful fae woman who illegally seduces him in his dreams. New York Times bestselling author, Caris Roane, presents DARK FLAME, the third book in the Flame Series. Brannick works with Juliet Tunney to help several human women escape the nightmare of Five Bridges. But something isn't right. Juliet acts as though she knows him really well, yet he's only met her once. Unless the dreams he's been having about her aren't dreams at all. Juliet fell hard for Brannick the night she first signed on to help out with his rescue operation. She even violated a serious Revel Territory law by invading his dreams. What she hadn't expected was how readily he took her up on her illegal dreamgliding offer. With her special fae abilities, she's been his secret lover for five months. Sworn to withhold the nature of their dream-relationship from Brannick's conscious mind, she faces the hard truth that she's in danger of losing him forever because she broke the law. Once the truth surfaces, will Brannick ever be able to forgive her? DARK FLAME is a standalone story with no cliffhangers. It's a passionate, hot, paranormal romance, featuring a vampire and a witch set in the urban...
