WINDS OF FATE (PAPERBACK)

Litworld LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Harry's back! The even more anticipated third book from the best-selling Fayroll series is here. With even more epic battles, difficult quests and even rarer items. Following on from The Road East, Harriton's work has been very well received, and his new bosses are very happy with him. Seemingly everything is going well as he enjoys visiting Fayroll more and more and spending time with his new girlfriend, Vika. But is everything as it seems and can things stay so positive from him? After a visit from his ex-girlfriend's brother and a meeting with Raidion's Security, it seems the real world might be much more of a dangerous place for him than ever before. He will begin to question how deep he is in this whole project, but with support from his new girlfriend and his team working on The Fayroll Times, maybe everything will be fine? And this is just outside the game. In the game, he joins The Hounds on a quest through the Northern Mountains to the North and through the mines filled with terrifying and deadly creatures to continue his quest to find the Dryad Sisters. But not before making even more in-game enemies, meeting royalty and saving kidnapped princesses. Winds of Fate continues the best-selling and ever-popular Fayroll series with the author's great sense of humor, adventure and storytelling skills. This book carries on developing the Fayroll world and also further develops life in the real world. This story has an equally seductive balance between the real and virtual world where both smoothly complement each other.
