Light of the Word Ministry has designed a new numbering system for the lexemes (main word forms) of the Aramaic Peshitta New Testament. This system has been arranged by root order and includes the words related to this root in a family group. The root dictionary number is printed in Arial bold italic type and the words related to this root and printed in Arial type. The purpose of the numbering system is to facilitate ease in learning how to study the Aramaic New Testament. Each word has its own Dictionary number and can be studied using the number (similar to the Strong s numbering system). It is designed to be used with the Vertical Interlinear and Parallel Translations as part of a set of study tools. It is further augmented by an English glossary.
