Canongate Books Ltd. Paperback. Book Condition: new. BRAND NEW, Dance of the Apprentices (Main ed), Edward Gaitens, James Campbell, Caught in the melting pot of social injustice, revolution, war, and pacifism, this powerful book gives a vivid account of the experiences and struggles of a Glasgow family from the First World War and into the Depression at the end of the Twenties. It is a story of Glasgow apprentices, their lives dignified with a desire for art and learning and the ideal of reforming the world. The book follows the fortunes of one particular family, the Macdonnells. The mother dreams of social success while struggling to raise her family and her ambitious husband out of slum life. But even at its saddest the humour of life flashes from every page in comic description and witty observation.
