Prepping on a Budget How to Stockpile Everything for a Disaster Welcome to Prepping on a Dirt-Cheap Budget, a D.I.Y. book designed to show you how to save money on how you stockpile and point you in the right directions. Prepping for survival is difficult in the first place and with most of the obvious items being expensive, prepping for survival can be an absolute nightmare for you and for your wallet. That's why we've made this book specifically around providing you with either cheap or free ways to stockpile for your disaster. First, we will go over how to preserve the perishable foods for an expansive long period of time without having to buy extremely expensive gadgets that might not work in the event of a disaster, which means you won't be able to fix more. We'll go over: How you can use water to vacuum pack your food. How to build...
