TALK STORIES

To download **Talk Stories** PDF, remember to refer to the hyperlink beneath and save the document or get access to other information which might be related to TALK STORIES ebook.

Farrar, Straus and Giroux. Paperback. Condition: New. This item is printed on demand. 224 pages. From *The Talk of the Town*, Jamaica Kincaid's first impressions of snobbish, mobbish New York. *Talk Pieces* is a collection of Jamaica Kincaid's original writing for the *New Yorkers*. *Talk of the Town*, composed during the time when she first came to the United States from Antigua, from 1978 to 1983. Kincaid found a unique voice, at once in sync with William Shawn's tone for the quintessential elite *insiders* magazine, and (though unsigned) all her own--wonderingly alive to the ironies and screwball details that characterized her adopted city. New York is a town that, in return, fast adopts those who embrace it, and in these early pieces Kincaid discovers many of its hilarious secrets and urban mannerisms. She meets Miss Jamaica, visiting from Kingston, and escorts the reader to the West Indian-American Day parade in Brooklyn; she sees Ed Koch don his Cheshire-cat smile and watches Tammy Wynette autograph a copy of *Lattimore's Odyssey*; she learns the worlds of publishing and partying, of fashion and popular music, and how to call a cauliflower a crudite. The book also records Kincaid's development as a young writer--the newcomer who sensitively records her impressions here takes root to become one of our most respected authors. This item ships from La Vergne, TN. Paperback.
