Dimensions: 9.0in. x 6.0in. x 0.1in.Excerpt: . . . these abstruse investigations had not wrought such disastrous effects as might have been feared, in causing Edward Dolliver to neglect the humble trade, the conduct of which his grandfather had now relinquished almost entirely into his hands. On the contrary, with the mere side results of his study, or what may be called the chips and shavings of his real work, he created a prosperity quite beyond anything that his simple-minded predecessor had ever hoped for, even at the most sanguine epoch of his life. The young mans adventurous endowments were miraculously alive, and connecting themselves with his remarkable ability for solid research, and perhaps his conscience being as yet imperfectly developed (as it sometimes lies dormant in the young), he spared not to produce compounds which, if the names were anywise to be trusted, would supersede all other remedies, and speedily render any medicine a needless thing, making the trade of apothecary an untenable one, and the title of Doctor obsolete. Whether there was real efficacy in these nostrums, and whether their author himself had faith in them, is more than can safely be said; but, at all events, the public believed in them, and thronged to the old and dim sign of the Brazen Serpent, which, though hitherto familiar to them and their forefathers, now seemed to shine with auspicious lustre, as if its old Scriptural virtues were renewed. If any faith was to be put in human testimony, many marvellous cures were really performed, the fame of which spread far and wide, and caused demands for these medicines to come in from places far beyond the precincts of the little town. Our old apothecary, now...
