Bushido: Verses of Consideration is a book for Warriors, and not for mere pugilists. This book is for those handful of warriors who live and breathe Bushido, the ancient code of the Samurai. It is for those serious students of the Way who seek the essence of Bushido, and not simple platitudes to recite or remember. Shinzen has written a book of poetic verses laden with deep meaning underscored with a Zen awareness that nothing is certain, yet everything is okay. With over 46 years of training in Budo, Shinzen has written a treatise for martial artists that will make you stop, and think, and more importantly, consider Bushido as a path of awakening that it is.
