## Cutaneous Medicine, Vol. 1: A Systematic Treatise on the Diseases of the Skin (Classic Reprint)

By Louis A Duhring

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Cutaneous Medicine, Vol. 1: A Systematic Treatise on the Diseases of the Skin The present work has been written to take the place of the author's former Practical Treatise on Diseases of the Skin, which for several years has been out of print. The favorable reception accorded to that work by the medical profession everywhere as attested by the many thousand copies published, by the press in this country and abroad, and by its translation into French, Italian, and Russian, has led the author to believe that a larger and more comprehensive treatise on the same subject might be equally well received. The material dealt with in the present volume has on all sides been approached from a practical stand-point. It has been the aim of the author to adhere closely to the practical aspect of the subject, supported by science and by experience. The work, as a whole, rests on clinical observation supported by pathology and pathological anatomy. The principles of cutaneous pathology and therapeutics have been put forth upon conservative lines in the...

### Reviews

*Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.*

-- **Vivianne Dietrich**

*It in one of the best pdf It is writter in straightforward words and never difficult to understand. Its been designed in an extremely straightforward way and it is just following i finished reading this book through which basically modified me, affect the way i believe.*
