

The Summer I Watched My Wife (Paperback)

By Guy New York

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Maria didn't fully understand my obsession, but that was about to change. After five years of marriage, I had yet to watch my wife with another man, but I had hinted at it enough times that I thought it was clear. It wasn't until Fiona (our twenty-year-old Irish exchange student) arrived that everything changed. Because unlike Maria, Fiona understood what I wanted without me saying a word. And she also knew what to do with it. So began *The Summer I Watched*, as our houseguest quickly and effortlessly began twisting our lives about until we all got just what we wanted and exactly what we feared the most. A fun and dirty romp through one filthy summer, the book is less about cuckold humiliation and more about a husband obsessed with watching his slutty wife get exactly what she wants. Hot, smart, and funny, *The Summer I Watched* is a hotwife tale that celebrates freedom, exploration, and desire all the way to its glorious and messy conclusion.
