

Dear B: How to Survive and Thrive in High School (Paperback)

By Chris Spence, Briana Spence

Dog Ear Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The transition from your local elementary school, to a large, potentially alienating secondary school can be a difficult adjustment. It can be very scary, but all freshmen are in the same place--they all want to fit in and make friends. High School is the start of an incredible journey that will ultimately be the origin of great memories. As scary as the start of the school year may seem to you right now, I have confidence that impression will blow over and you will question what all the bother was about. Dear B, How to Survive and Thrive in High School is written by educator Chris Spence and his soon to be high school teen Briana and provides advice and a game plan for high school success. Students prepare for and deal with the high school experience in many different ways. It truly is a unique experience, and I believe it is important for parents to play a large role in preparing their teen(s) for high school. In high school, teens begin to experience a great deal of newfound freedom. Talk...
