Ebury Publishing, United Kingdom, 2011. Hardback. Condition: New. Language: English . Brand New Book. Starting with a simple question - Which way am I looking? - Tristan Gooley blends natural science, myth, folklore and the history of travel to introduce you to the rare and ancient art of finding your way using nature s own sign-posts, from the feel of a rock to the look of the moon. With Tristan s help, you ll learn why some trees grow the way they do and how they can help you find your way in the countryside. You ll discover how it s possible to find North simply by looking at a puddle and how natural signs can be used to navigate on the open ocean and in the heart of the city. Wonderfully detailed and full of fascinating stories, this is a glorious exploration of the rediscovered art of natural navigation. The Natural Navigator Pocket Guide is a user-friendly, practical book and the beautiful illustrations are a useful tool to help travellers on their instrument-free journey.
