Ron Wyden (chairman of the subcommittee) presiding. Chairman Wyden. The subcommittee will come to order. Today the Subcommittee on Regulation, Business Opportunities and Technology examines the protection of our fellow citizens involved in clinical trials of unapproved drugs and medical devices. We are especially concerned with the effectiveness of both public and private institutions, and individual researchers, charged with the supervision of persons who may become test subjects. The key ingredient in this process is the provision of informed consent; the demand that test candidates be fully informed of the risks and objectives of any unapproved drug or device test prior to giving their consent to be included in trials. Most in medical science view...
