Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

(Dr. Willis Walter)

Dimensions: 10.0in. x 8.0in. x 0.6in.Samuel Rutherford Crockett (24 September 1859 16 April 1914), who published under the name S. R. Crockett, was a Scottish novelist. He was born at Duchrae, Balmaghie, Kirkcudbrightshire, on 24 September 1859, the illegitimate son of dairymaid Annie Crocket. He was raised on his grandfathers Galloway farm, won a bursary to Edinburgh University in 1876, and graduated from there during 1879. After some years of travel, he became in 1886 minister of Penicuik. During that year he produced his first publication, Dulce Cor (Latin: Sweet Heart), a collection of verse under the pseudonym Ford Brereton. He eventually abandoned the Free Church ministry for full-time novel-writing in 1895. The success of J. M. Barrie and the Kailyard school of sentimental, homey writing had already created a demand for stories in Lowland Scots, when Crockett published his successful story of The Stickit Minister in 1893. It was followed by a rapidly produced series of popular novels frequently featuring the history of Scotland or his native Galloway. Crockett made considerable sums of money from his writing and was a friend and correspondent of R. L. Stevenson, but his later work has been criticised as being over-prolific and feebly sentimental. Crocketts connection with Kailyard is now beginning to be acknowledged as nebulous at best, as evidenced by a re-appraisal of the whole Kailyard concept by writers such as Andrew Nash. In 1900, Crockett wrote a booklet published by the London camera manufacturer, Newman and Guardia, comparing cameras favourably to pen and pencil and explaining how he encountered the N and G advertisement. Crockett was well travelled in Europe and beyond, spending time in most European countries and he wrote several novels of European history...
