

The Revolution Will Not be Televised: Democracy, the Internet, and the Overthrow of Everything (Revised edition)

By Joe Trippi

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Revolution Will Not be Televised: Democracy, the Internet, and the Overthrow of Everything (Revised edition), Joe Trippi, This book reveals the secret of Trippi's off-the-charts political success - his revolutionary use of the Internet - and an impassioned, contagious desire to overthrow politics as usual. Trippi's innovations brought fundamental change to the culture of American politics, and became the model for how all future political campaigns would be run, demonstrating that the largely untapped and underestimated influence of the Internet can compete with - and in many ways exceed - the traditional approaches to winning in politics. In this book, Trippi reveals just how the sleeping power of technology are being harnessed in the future - for politics and beyond, into the realms of business and every other aspect of life. Trippi sees the Internet as a way of distributing of power to the people, and argues persuasively that companies that understand the coming revolution will be the first movers in this new era, while those who wait will certainly be left behind. With his behind-the-scenes look at the daily drama of a presidential campaign-in which a small, highly dedicated...
