Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Early Journal of Charles Wesley The manuscript Journal of Charles Wesley was purchased from his son and namesake, and is now preserved at the Methodist Publishing House. It is bound in parchment, measures 73/4 x 5 inches, and is two inches thick. Thomas Jackson tells us that it had been found among some loose straw on the floor of a warehouse where the furniture of Charles Wesley, Junior, was deposited. He purchased it and other manuscripts in 1829, on behalf of the Conference, used it in writing his Life of Charles Wesley in 1841, and prepared it for the press in 1849. It begins with Charles Wesley's arrival at Frederica, a month after the brothers first set foot on American ground, and closes on November 6, 1756. There are some gaps in the record which a student of Early Methodism deeply regrets, but the Journal is only surpassed by that of his brother as a picture of the difficulties in Georgia, the happy scenes of Whit Week 1738, and the first days of the Evangelical Revival, with the triumphs of the field preaching, the perils of the mob, and the gradual spread of Methodism over England. In this volume the story is carried down to August 27, 1739, and two more volumes would complete the Journal.
