

The Plastic Dolphin (Paperback)

By Mark I Brislin

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you ever wonder if your plastic bath toys could talk, what they would say? Well after five years of faithful bath service the plastic dolphin is finally allowed to talk, but Yoni, his unwitting master doesn't really get it - well not at first. Yoni's adventure takes him out of his home, out of his parent's safe hands and into a journey that will take him from one end of Tanzania (East Africa) to the other, because he is a boy that believed the voice of his plastic dolphin. What happened to the plastic dolphin in the past? Yoni finally learns the truth - a story within a story and finds bravery for those who are not really brave. A story of children and their fathers, a story of restoration, a story of belief in the impossible. A story of the reluctant hero who helps more than the plastic dolphin that he believes in, but also he helps himself, whilst accidentally helping a number of people on the way.
