

The Raw Meat Cat Food Cookbook: What Your Cat Wants to Eat Whether They Know It or Not

Filesize: 3.58 MB

Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

THE RAW MEAT CAT FOOD COOKBOOK: WHAT YOUR CAT WANTS TO EAT WHETHER THEY KNOW IT OR NOT

Velluminous Press, United Kingdom, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Most modern cats are addicted to a substance that can eventually destroy every major organ of the feline body: grain-dominant cat food. This addiction can adversely affect blood sugar, urine pH, adrenal stability, digestive function, and tooth, gum and joint health, and can be a major contributor to spiraling vet bills. For six-plus decades, commercial grain-based cat food has been pushed upon the public for one main reason: corporate profit. Regrettably, it isn't just cats who are addicted; advertising has brainwashed humans into believing that feeding our obligate carnivore companions a meat-flavored, grain-based diet is the best way to show how much we care. The authors of this brief, straight-to-the-point cookbook wanted to break free and spend as many years as they could with their beloved housemates - quality time, not time spent watching them decline from commercial cat food. Now, with this step-by-step illustrated guide, you and your cat can break free, too.
