

Raising The Hunley (Paperback)

Filesize: 5.98 MB

Reviews

Totally among the best ebook I have ever go through. It can be rally exciting throug looking at period. Its been printed in an extremely straightforward way which is just soon after i finished reading this pdf by which actually transformed me, change the way i believe.

(Mr. Mervin Walsh)

RAISING THE HUNLEY (PAPERBACK)

Random House USA Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The history of the Confederate submarine H. L. Hunley is as astonishing as its disappearance. On February 17, 1864, after a legendary encounter with a Union battleship, the iron fish boat vanished without a trace somewhere off the coast of South Carolina. For more than a century the fate of the Hunley remained one of the great unsolved mysteries of the Civil War. Then, on August 8, 2000, with thousands of spectators crowding Charleston Harbor, the Hunley was raised from the bottom of the sea and towed ashore. Now, award-winning journalists Brian Hicks and Schuyler Kropf offer new insights into the Hunley's final hours and recount the amazing true story of its rescue. The brainchild of wealthy New Orleans planter and lawyer Horace Lawson Hunley, the Hunley inspired tremendous hopes of breaking the Union's naval blockade of Charleston, only to drown two crews on disastrous test runs. But on the night of February 17, 1864, the Hunley finally made good on its promise. Under the command of the heroic Lieutenant George E. Dixon, the sub rammed a spar torpedo into the Union sloop Housatonic and sank the ship within minutes, accomplishing a feat of stealth technology that would not be repeated for half a century. And then, shortly after its stunning success, the Hunley vanished. This book is an extraordinary true story peopled with a fascinating cast of characters, including Horace Hunley himself, the Union officers and crew who went down with the Housatonic, P. T. Barnum, who offered \$100,000 for its recovery, and novelist Clive Cussler, who spearheaded the mission that finally succeeded in finding the Hunley. The drama of salvaging the sub is only the prelude to a page-turning...
