In 1897, one young woman risks everything to earn a college degree but the secret she hides could be her undoing. Passing meets The House of Mirth in this captivating reimagining of a remarkable true story. Since childhood, Anita Hemmings has longed to attend the country's most exclusive school for women, Vassar College. Now, a bright, beautiful senior in the class of 1897, she is hiding a secret that would have banned her from admission: Anita is the only African-American student ever to attend Vassar. With her olive complexion and dark hair, this daughter of a janitor and descendant of slaves has successfully passed as white, but now finds herself rooming with Louise Lottie Taylor, the scion of one of New York's most prominent families. Though Anita has kept herself at a distance from her classmates, Lottie's sphere of influence is inescapable, her energy irresistible, and the two become fast friends. It's only when Lottie becomes infatuated with Anita's brother, Frederick, whose skin is almost as light as his sister's, that the situation becomes particularly perilous. And as Anita's college graduation looms, those closest to her will be the ones to dangerously threaten her secret. Set against the vibrant backdrop of the Gilded Age, an era when old money traditions collided with modern...
