

Be the Change, be the Difference (Paperback)

By Hope Foundation

Drombeg Books, Ireland, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Glasgow Celtic Twitcher s Society, what is it? Think Anthony de Mello, think Paulo Coelho, think of the Celestine Prophecy, then think of the passion of Celtic football supporters, the colour green, the flying squawking magic that is birds, and the other-worldliness of a Tennent s super lager hash den in a back-room kitchenette somewhere in a north Glasgow Housing Scheme. Combine this with the mystic tradition and a dash of the Scottish Zen Absurdity movement, and you get close. Or it s just a simple story, inhabited by two pals, two seekers of spiritual truth, embarking on an adventure that would bring them from Possilpark to Burundi, from a cottage on the Isle of Skye to a squat in Hackney. Some would say it s a poem of a dream of an impressionist s experiential Caledonia. Ignore them, they are not well.
