THE CAREGIVER: IF YOU BELIEVE, IT IS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Caregiver - If You Believe, It Is The Caregiver is the true story of my love for a woman named Dawn, and my mission to grant her dying wish; to have a romantic evening and diner in Paris. Dawn was dying of cervical cancer and had only months to live. Traveling to Europe was impossible. However, where there is hope and desire, anything is possible. Caregivers comes in many forms, family, friends and lovers, and they fulfill many needs in aiding those they love on their way to the light. Some provide meals, dispense medication and comfort while others talk of miracles. My hope, as a caregiver was to rekindle fond memories of years gone by. Memories that would make us smile, laugh and cry a little; made bittersweet but no less beautiful by the knowledge that time was limited. I knew Dawn was excited about my arrival, but her other caregivers that were less enthusiastic; her daughter, and son-in-law, who lived in Dawn s home with their two year old daughter. They were afraid my presence would just add more stress to an already difficult situation. When I arrived at Dawns home she was standing at the front door to greet me with a smile and tears. We held each other tightly, just as we had so many years before, completely unaware of the obstacles we would face in accomplishing this last mission. Joe Verola has also written several screen plays and books include: You re A Dog Jack, Ten Steps to Becoming a Movie Star, The American Idol Book, None That I Know Of, Happy Father s Day and a series of self improvement CDs under the title of Free...
