

# The Life of Jesus: The Compiled Gospels (Paperback)

By Josh Word

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\*\* Print on Demand \*\*\*\*\*\*. The Story of Jesus is the combined works and teachings of all four gospels into a novel for anenjoyable easy read. It is meant to combine all four perspectives into one so we can have a complete picture of the events taking place. Some events are barely mentioned in one gospel, while in others full details are given down to names of people, time and the place where the event occurs. This is a great book for new believers and old alike. Although it doesn't replace a dedicated translation of God's Word for serious bible study, it does include every work and teaching inchronological order according to Luke. It could also be a powerful witnessing tool for our friends and family that just want an easy to read account of the life of our Lord and Savior.
