## Archbishop Fisher, 1945-1961 Church, State and World The Archbishops of Canterbury

By David Hein

Ashgate Publishing Company. Paperback. Condition: New. 261 pages. Dimensions: 9.1in. x 6.1in. x 0.8in. This book is suitable for the new Lives of the Archbishops of Canterbury series because Geoffrey Fisher's was such a significant archiepiscopate, one in which the central issues of his time and place are reflected. Moreover, Fisher represents one major way of fulfilling his office: in this case, the archbishop as administrator. Through his example we can see the strengths and weaknesses of this approach, both in his own day and for succeeding generations. Being a highly competent administrator means more than being an efficient manager. It requires thoughtful strategic planning as well as day-to-day administration. But this approach may result in a loss of personal stature, influence, and memorability if the archbishops' focus is largely on structure rather than on qualities of mind and spirit - if, in other words, the archbishop is not also known (and effective) as an intellectual force, a social prophet, or a wise spiritual leader. The subject of this proposed biography does suggest an irony: he may well have been a more competent archbishop than either his successor or his predecessor, but somehow they are the ones we are more likely...
