Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fortune Favors the Bold is an exciting new series of books in which YOU are the hero of your own story - a story which changes based on the decisions YOU make! It s just like real life, only vastly more interesting and infinitely more exciting than your wildest dreams. And unlike similar stories you may have read as a child, these ones are totally full of violence, drugs, sex and gore - the way you always wished they had been! This is a tale best told amongst friends, in a faux English accent and under the influence. A tale of high adventure and low brows. A chronicle of necromancy, dragon slaying and lust. An epic retelling of the legend of an ancient myth long lost in the annals of a time before time. When the Scissorwulf discovers thieves trafficking in the sale of unicorn horns, it is up to him to dole out his own violent brand of justice. But it is up to YOU to determine how he does it! It is a world where only the strong survive, and fortune favors the bold! You re either on to something with this, or it s the world s best ultra-narrow niche book that no one will ever read. But the tiny elite that do read it will be changed forever. - Benjamin T. Osborne.
